

*Public school Food Services can be complicated to understand. Fortunately, you don't have to understand ALL the details but get a general idea of how purchasing and decision work for School Food Administrators.*

*Check these out below. We add updated and new resources all the time so check back, reach out and be persistent!*

*The Tray team us here to support you! [Join our mailing list here](#) for our monthly newsletter.*

- Selling Local Food to Schools: A Resource for Producers
